31. The contractor must produce income tax clearance certificate on the latest form as prescribed by the Ministry of Finance, Govt of India. The contractor should submit Xerox copy of PAN card.
28. **Special care** should be taken to write the rates and amount in figures as well as in words, in such a way that interpolation is not possible. The total amount should be written both in figures and word. In case of figures, the words Rs should be written before the figures of rupees and word P after the decimal figures, e.g Rs. 4.25 P. and in case of words Rupees should be preceded and the word Paisa should be written at the end. Unless the rate is in whole rupees followed by the word 'only' it should be invariably be upto two decimal places. While quoting the rate in schedule of quantities, the word 'only' should be written closely following the amount and it should not be written in the next line.
29. Rates quoted by the bidder/contractor in item rate shall be accurately filled in so that there is no discrepancy in the rates written in figures and in words- However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall be taken as correct.
30. If the amount of an item is not worked out by the bidder/contractor, or it does not correspond with the rate written either in figures or in words, then the rates quoted by bidder in words shall be taken as correct.
31. Where the rate quoted by the bidder in figures and in words tally, but the amount is not worked out correctly, the rate quoted by the contractor will be taken as correct, not the amount.
32. The bidders should quote in figures as well as in words the rate and amount Quoted by them. The amount of each item should be worked out and the requisite total be given. All corrections shall be attested with date and signature of the bidders.
33. When a bidder signs a Quotation in an Indian Language, the total amount Quoted should also be written in the same language. In the case of illiterate contractors, the rates or the amounts Quoted should be attested by a witness.
34. Any changes in works can be made by Centre Director or Engineer-in-Charge as per requirement and the contractor will bind himself to do the job.
35. The contractor will have to follow sequential work program in consultation with the Engineer-in-charge.
36. Proper safety precautions to be taken during execution of work.
37. Any damage of existing facilities that may occur during execution will be considered as contractors fault and will be rectified free of cost by the contractor.
38. All works shall have to be carried out by the contractor as per C.P.W.D general specification.
39. No compensation will be paid by Client for loss and damage to contractors materials during execution.
40. Suitable water supply and electricity arrangement for staff and labour as well as for the work to be provided by the contractor at his own cost.
41. Material:
  - (a) The contractor shall have to collect all the required materials for construction work at his own cost from the available market and should be of good quality.
  - (b) Samples of all materials shall have to be approved by the Engineer-in-Charge of the Centre before execution of work and sample shall be deposited with him.
  - (c) Test certificates of used/ to be used materials such as cement, MS rod and Tor steel, bricks etc to be submitted to the Engineer-in-charge. Otherwise no payment will be made for execution of the work by the contractor and the Engineer-in-charge has the right to hold payment of some percentage of bill amounts. (If applicable)

42. The contractor shall comply with all the provisions of the Minimum wages act, 1984, Contract Labour (R&A) Act 1970 the rules framed there under and other labour laws affecting contract labour that may be brought in to force time to time.
43. The contractor will have to engage qualified Engineer and supervisors etc as required. Without engagement of technical persons, CPP-IPR reserves the right to deduct amount (non refundable) from bills of contractor for supervision and technical supports given by CPP-IPR.
44. The Engineer-in-Charge may instruct the contractor to dismiss or remove from the site of work any person or persons employed by the contractor who may be incompetent or misconduct himself and the contractor should follow such instruction.
